Description

Experience coastal living at its finest in this frontline villa with holiday rental licence situated in Port Verd on Mallorca's East coast. Originally built in 1985 and thoughtfully renovated in 2021 with high-quality materials, this residence spans two levels, offering a seamless flow from room to room.

Commanding breathtaking sea and mountain views, the villa occupies a generous plot of 966 m2 with a substantial built area of 833 m2, including a spacious living area of 422 m2. The property hosts 6 bedrooms, 5 bathrooms (4 en-suite), and a guest toilet. The design maximises the connection with the outdoors, featuring a garden, four sun-soaked terraces, and a refreshing swimming pool. On the upper floor terrace, a jacuzzi awaits, creating a serene oasis with private access to a small bathing bay.

Indulge in the comfort of modern amenities, including a gym, 3-car garage, underfloor heating, air conditioning, a water decalcification system, and a combination of marble, tiles, and stone flooring. The property is secured with an alarm system and automatic gate, while a fireplace adds a touch of warmth.
