Description

Step into an oasis of serenity and brilliance with this meticulously renovated apartment. Bathed in natural light, it emanates beauty in its interior finishes and decor. The expansive terrace, with a 270° panoramic sea and green view, provides an idyllic retreat. Crafted by merging two properties, this spacious abode delivers lateral living on one floor

with open views.

The layout seamlessly integrates a capacious living area leading to the main terrace, an open-plan kitchen with pantry, and separate laundry and storage spaces. The guest wing hosts two double bedrooms sharing a large bathroom and a gym. The private master wing boasts an en-suite bedroom, a dressing room with a bathroom, and a SANYCESS Jacuzzi for two, along with an office and yoga studio or potential 4th bedroom. Flexibility is offered to create more bedrooms if desired.

Features abound, including underfloor heating, ducted air conditioning, a smart home system, Sonos music setup, Miele appliances, Gessi taps, porcelain and wood flooring, terrace irrigation, and three parking spaces in the underground garage. Nestled in an elegant community of 3 blocks, featuring a lush subtropical garden and a spacious pool, the complex enjoys a prime location within walking distance to small beaches and amenities.
