Description

Very charming, fully renovated garden apartment featuring 2 bedrooms, a bright living/dining room, a modernly fitted kitchen and a rare outdoor area of approx. 80 m2. The property is found in a quiet gated community of Cas Catala, sought-after neighbourhood on the southwestern coast of the island of Mallorca. The apartment is filled with natural

light and the 2 double bedrooms have built-in storage. It has recently been fitted with new double-glazed windows. The kitchen has been freshly renovated with white finishes and wooden countertops, seamlessly transitioning into the partially separated dining area and the lounge, which features inviting Ibiza-style banquette seating. From the exceptional outdoor area, one can enjoy scenic views of the communal gardens and the inviting pool. The expansive terrace offers multiple areas for relaxation, dining, and soaking up the sun—perfect for embracing the outdoor living lifestyle that Mallorca is renowned for. This property is conveniently located a mere 10-minute drive by car or public transports to the island's capital Palma, and the nearest beach is just a short walk away. Additional Features: This property is sold with 2 parking spaces and an approx. 10 m2 storage room.
