Description

This mediterranean property has a plot area of approx. 350 m² and a constructed area of approx. 255 m². Spread over 3 living levels are: 4 bedrooms, 3 bathrooms, living/dining area, fitted kitchen, storage room, utility room and cellar. Large windows fill the rooms with plenty of natural light and offer beautiful views of the surrounding countryside

and the majestic Tramuntana mountains. Various terraces allow you to enjoy the fantastic Mallorcan weather to the full. Further features include: air conditioning hot/cold, fitted wardrobes, tiled floors, 2 parking spaces and much more. The outdoor area with the refreshing pool and the well-kept garden round off this great offer.
